Dear Ken Desmangles,

This letter is being sent to confirm that on your company Donson Machine Company had their ISO 13485 Assessment performed on April 28-29, 2010.

Your report from the auditor has been received and based on the positive outcome from this audit, your company is being recommended for Registration to ISO13485.

At this time your report has been sent to the committee for review. We anticipate that you will receive your electronic certificate within the next couple of weeks. Your certificate will be through the JAS-ANZ accreditation body, which is recognized and accepted both in North American and Internationally.

We congratulate you and your company on their quality system performance. We wish you much success in future ISO13485/ 9001:2008 surveillance audits.

Should any customer or vendor need verification prior to your receiving the certificate, do not hesitate to have them contact me directly.

Sincerely,

Sandra J. Tokola
